

"Филтерм" ЕООД е създадена от специалисти с дългогодишен опит в изграждането на фасадни топлоизолационни системи. Фирмата е предпочитан партньор на редица инвеститори и строителни компании, които са се уверили в качеството на изпълнените от нас дейности. Множеството завършени обекти са най-добрата референция за нас. Ние сме сертифициран изпълнител на фасадните системи на Weber и Roefix като стриктно спазваме технологичния процес препоръчан от производителя.

За да помогнем на своите клиенти да постигнат по-различен и уникален облик на своите сгради ние предлагаме голямо разнообразие от фасадни декоративни елементи, произведени от EPS с висока плътност и покритие от полимер-цимент. Посредством използването на декоративни елементи фасадата на Вашата сграда получава своя уникален и неповторим външен вид. .
